

講題：奈米生技產業的創業分享

Topic: Start-up for Nanotechnology and
Biotechnology Industry

中文演講

摘要 Abstract

本次演講將分享如何利用自身的專業和職場的經驗，來創立新的公司和事業，並提供創業者所需的條件和可能面臨的問題，來作為是否投入奈米生技領域創業的參考；內容著重在奈米生技新創公司的經驗分享。

Today' s topic is focus on sharing experience during the startup-company and how to use personal skill and experience to create new companies or own business.

Provide to entrepreneurs what the conditions and possible problems they may face, as a reference for everyone to join in the Nano biotechnology market.
